2. MY SISLEY CLUB LOYALTY PROGRAM MEMBERSHIP CONDITIONS

The My Sisley Club Loyalty Program makes it possible to earn loyalty points based on the amount of purchases made on the online store www.sisley-paris.com/en-SA/ (hereinafter the "Website") (excluding all other points of sale) and use these earned loyalty points for future purchases. The My Sisley Club Loyalty Program also provides access to many benefits.

Any individual who has purchased products on the Website or shared a comment on the product, can join the My Sisley Club Loyalty Program (hereinafter the "Member"). By becoming a Member, you acknowledge that you have read and understood, and accept, these My Sisley Club Loyalty Program General Terms and Conditions.

Members must create their account on the Website and provide the following mandatory information:

- Title
- Last Name
- First name
- Email address
- Date of Birth
- Consent or refusal to receive Sisley communications.

Membership to the My Sisley Club Loyalty Program is completely paperless, so no physical card will be given to Members.

The account is personal and in their name only. Members (same name, same email address) may only sign up once to the My Sisley Club Loyalty Program: multiple accounts are prohibited. In addition, the same email address can only be associated with one account. The My Sisley Club Loyalty Program is reserved for individuals for their own, non-professional use.

Members may not assign or transfer, in any way whatsoever, all or part of their rights and/or obligations under the My Sisley Club Loyalty Program without Sisley's prior, written consent. Loyalty points are associated with the Member's person and are therefore non-transferable and non-assignable.

Members are subject to My Sisley Club Program General Terms and Conditions, the Website's General Terms and Conditions of Online Sales, the Website's Personal Data Protection Policy, and the Website's Cookie Policy.

3. MY SISLEY CLUB LOYALTY POINTS

3.1. Earning loyalty points

For each purchase of a product made on the Website loyalty points are earned as follows: 100 SAR spent = 10 loyalty points earned.

The loyalty points earned are rounded to the nearest whole number.

For example:

200 SAR = 20 loyalty points earned

300 SAR = 30 loyalty points earned

400 SAR = 40 loyalty points earned

500 SAR = 50 loyalty points earned

The amount of points earned when purchasing products is calculated based on the total amount including taxes and shipping costs, when applicable.

In addition, in the case of sharing a comment on the product on the Website, a loyalty point is earned, up to a limit of 100 points, or 10 comments, over a period of twelve months, after the first comment posted.

3.2. Using loyalty points

Earned loyalty points can only be used from 30 calendar days after the purchase date. This period corresponds to the withdrawal period and the period for returning purchased products.

During this 30-day period, new loyalty points recently earned will appear with the words "Pending" in the "My Account" section of the Website.

In case purchased products are returned, the loyalty points corresponding to the purchase will not be definitively credited to the Member's account and these "Pending" loyalty points will not be added to the Member's total points.

Loyalty points are valid for 12 months from the date of purchase.

For example, if a Member makes a purchase on January 15th, the loyalty points earned from that purchase will expire on January 14th of the following year.

When a Member has loyalty points with different expiration dates and wishes to use his/her points, the earliest expiring points shall be used first.

If orders or products purchased in whole or in part with loyalty points are canceled or returned, the loyalty points used will be credited back to the customer's account and can only be used for a period of one month, regardless of the initial expiration date.

The loyalty points used are distributed over all the products of the order in proportion to the price of the products. Thus, in case of a return of one or more products, the loyalty points will be credited again in proportion to the price of the returned product(s).

As the point is not divisible, a distribution of the points used will be made between the products and the detail of this distribution will be mentioned on the invoice which will prevail in the event of a product return.

Points not used in whole or in part may not give rise to any refund, even partial, or exchange, nor to any monetary consideration in any form whatsoever (including change).

3.3. Loyalty points value

10 point earned = 10 SAR discount to be used on your next purchase on the Website.

Members can take advantage of their available loyalty points (excluding "pending" loyalty points) and thus deduct their points from the total amount of their order, including all taxes, excluding shipping costs, if applicable.

Members can use their loyalty points with no minimum purchase amount and no minimum threshold of loyalty points earned.

Members can thus pay for all or part of an order excluding shipping costs.

Loyalty points cannot be used to pay for shipping costs. Please note that if using the points reduces the order amount below the free shipping threshold, the Member will have to pay the shipping costs.

3.4. Checking loyalty points

Members can check their loyalty points balance:

- By logging into their Account on the Website.

Members can also track their totals and the use of their points at the time of their various purchases by logging on to their Account and going to the "Details about your Loyalty Points" section.

If a Member has any questions, he/she may also contact the Customer Service Department which can be reached:

- by phone at +971 (04) 222 6669 (international call charges may apply)
- via the "Contact Form" section of the Website
- by email at: contact.mea@sisley-paris.com

4. MY SISLEY CLUB STATUS

4.1. Determining Status

The My Sisley Club Loyalty Program consists of three statuses: Orchid, Gold and Platinum.

These statuses are determined according to the number of loyalty points earned by each Member:

- Orchid: from the first purchase to 249 loyalty points earned

- Gold: between 250 and 1499 loyalty points earned
- Platinum: more than 1500 loyalty points earned.

The status of the Member may change throughout the year as described above depending on the purchase made. Then, the status is recalculated on January 1st of each year by taking into account all purchases made during the previous year.

For example: for existing Members, the status as of 1 January 2021 is determined based on purchases made during 2020.

Special case: for new Members who join the My Sisley Club Loyalty Program during the second half of year N, their status on January 1st of year N+2 will be determined by all purchases made in year N and N+1.

For example: for a new Member who joined the Loyalty Program on 30 August 2019, his/her status on 1 January 2020 was determined based on purchases made during 2019, and his/her status on 1 January 2021 is determined based on all purchases made during 2019 and 2020.
