Black Rose Eye Contour Fluid 14ml

A refreshing eye fluid with exceptional revitalizing performance, the eyes seem to be smoothed, open up and illuminated in a single stroke. The Black Rose Eye Contour Fluid is a concentration of the emblematic key ingredients from the Black Rose Collection. In a single stroke the eye contour area appears illuminated, energized, smoothed and revitalized.

The appearance of lines in this particularly fragile area is diminished, giving the visibly smoothed look of younger-looking eyes. Dark circles appear less visible and puffiness seems reduced. The eye contour area feels fresher, more rested, luminous and radiates youth and beauty.

Hair Rituel Color Perfecting Shampoo 200ml & Restructuring Conditioner 200ml

The Color Perfecting Shampoo with Hibiscus flower extract gently cleans and takes care of colored and highlighted hair. Color is prolonged and doesn't fade after repeated washes. Hair feels light, soft and shiny. Fresh fragrance with an active core of natural origin. Fluid, pearly texture that transforms into a fine and rich foam upon contact with water.

The Restructuring Conditioner is a post-shampoo treatment designed to smooth the cuticles, enhance hair shine and increase resistance. Developed with a blend of restructuring and lipid-replenishing key ingredients, its formula delivers a fast, effective action – perfect for making styling effortless once more while visibly enhancing the lengths.

Melting Hand and Body Cream 350ml & Candle Campagne 220g

The Melting Hand and Body Cream is light-weight, non-sticky texture moisturizing and refreshes skin. From the moment it's applied, it envelops skin in a satiny finish, leaving it visibly plumper, beautifully enhanced and delicately scented with a fragrance inspired by the iconic Eau de Campagne, with citrus, botanical and woody notes over a chypre base.

Inspired by the Eau de Campagne fragrance, the Campagne scented candle comes in an elegant and generous glass container as green as the forest, revealing a burst of nature with a bold, elegant scent. Crafted with care, the Campagne scented candle is made of a blend of mineral and plant-based waxes, guaranteeing a perfect fragrance reproduction, both in terms of intensity and diffusion.

Exfoliating Enzyme Mask 40g & Velvet Sleeping Mask 60ml

New-generation soft peeling, the Exfoliating Enzyme Mask is a preparatory skin care that reveals in just 1 minute uniformity and radiance of all skin types, including sensitive. This hybrid skin care combines two expert steps : the power of an exfoliant and the gentleness of a mask for skin that is "as good as new" in a flash.

The soothing and restorative Velvet Sleeping Mask with Saffron flowers helps dry skin "regain its strength" overnight. Its supports dry skin in its nocturnal repair work thanks to the most effective ingredients. Upon awaking, the skin has "recovered", revitalized, it is stronger and more resistant.

Hydra-Global 40ml & Sunleÿa Anti-Aging Sun Care SPF50+ 50ml

Hydra-Global is an intensive hydrating, anti-aging skin care product designed to provide a comprehensive solution to the phenomenon of skin dehydration. Its cream-gel texture is fluid and matte. This formula contains a combination of essential oils, plant-based active ingredients and minerals that work on 3 levels to restore the skin's natural moisture balance and restart hydration functions deep within the epidermis.

Very High Protection Anti-Aging Sun Care, Sunleÿa SPF50+ provides an unprecedented response to photo-aging. The sun amplifies the glycation phenomenon, leading to accelerated skin aging. This innovative sun care product combats glycation, targeting wrinkles and the loss of elasticity, for protected skin and a luminous tan.

Phyto-Blanc L'Exfoliant 100ml & La Lotion 150ml & La Nuit 50ml

L'Exfoliant Brightening Buff & Wash is the first essential step in the brightening skincare ritual to reveal the complexion's full radiance. It frees the skin from daily impurities and helps eliminate dark areas (pores and spots) for improved skin quality with each use.

An essential brightening preparatory step, Phyto-Blanc La Lotion stimulates the skin's natural desquamation process, moisturizes and ideally prepares to subsequent skin care products.

Phyto-Blanc La Nuit acts specifically during the skin's nocturnal recovery phase and ideally complete the Phyto Blanc Collection day care products, for an even more comprehensive brightening and anti-dark spot action. Its essential cream to reveal the uniformity, evenness and radiance upon waking.
