Phyto-Teint Perfection 30ml

Skincare and make-up as one. Phyto-Teint Perfection is a high-coverage, mattifying foundation powered by the Ideal Skin Complex to improve skin quality with each application. By identifying the external factors that impact the quality of the skin and cause irregularities and other complexion flaws, Sisley's laboratories were able to develop a cutting-edge complex that delivers impressive results, combining 3 essential actions for all skin types. Instantly, skin texture is smoothed and refined; with each application, the skin appears plumped and imperfections are less visible. Available in 11 shades.

Intensive Hydrating Facial Treatment 90mins

A sophisticated facial treatment that meticulously formulated with high concentrations of active ingredients designed to enhance water circulation within the epidermis. By promoting an ideal moisture balance, the facial helps to restore the skin's natural suppleness and tone. The treatment utilizes products from Sisley's renowned Black Rose and Hydra-Global collections. As a result, the skin not only feels more hydrated and resilient but also regains the youthful bounce, radiance, and glow typically associated with younger skin. This comprehensive approach ensures a revitalized and refreshed complexion.

Phyto-Blanc Targeted Dark Spot Corrector 7ml

An ultra-precise anti-dark spot corrector with a patented complex, the Targeted Dark Spot Corrector reduces the appearance of all types of dark spots due to aging, sun or skin imperfections after 15 days. A double intensive action targets older, recent and extended dark spots that are particularly difficult to diminish. Its fine, slightly iridescent emulsion texture instantly reduces the appearance of dark spots and leaves a luminous, non-greasy finish. With its innovative applicator brush, the Targeted Dark Spot Corrector perfectly targets all dark spots on the face, neck, décolleté, and hands. A universal dark spot correction solution suitable for all skin types, genders, ages, and skin tones.

L'Eau Rêvée d'Hubert 50ml

Between dream and reality, feminine and masculine, the surprising and seductive L'Eau Rêvée d'Hubert presents two sides with fresh top notes and a woody base. Key to the collection, L'Eau Rêvée d'Hubert evokes the Geranium that Isabelle d'Ornano has pruned a thousand times. It is named in the memory of Hubert d'Ornano, Sisley's founder. Considered as a masculine rose: this geranium emits an intense, aromatic breath of peppermint, clear green notes and moist earthy accents. This wealth of ingredients giving the perfume a refined, natural sillage.
