However, the Purchaser must be an end customer (i.e. a natural person not acting as a trader) based in Singapore with the legal capacity to contract. Thus the Purchaser:

- Declares and warrants, by accepting these General Terms and Conditions of Sale, that the purchase of Products on the Website is unrelated to a business activity and is for personal use only;
- Undertakes not to resell or distribute the Products which are purchased on the Website or the samples, otherwise the Purchaser can be for breach of this undertaking;
- Declares and warrants that the Purchaser is at least 18 years of age.

1.3 General Terms and Conditions of Sale

The purpose of these General Terms and Conditions of Sale is to stipulate the terms and conditions for the on-line sale of the Products on the Website.

By checking the relevant box, the Purchaser states that they have read and expressly accept them, provided that this acceptance does not require the Purchaser's handwritten signature. The Purchaser can backup or print these General Terms and Conditions of Sale without modifying them.

SISLEY reserves the right to modify these General Terms and Conditions of Sale at any time without notice. However, the General Terms and Conditions of Sale which apply to the sale are those which the Purchaser accepted when placing his or her order.

These General Terms and Conditions of Sale exclude the application of any other document which purports to govern the on-line sale of the Products on the Website.

1.4 Product Information

The Purchaser can obtain information on the material characteristics and the price of the Products they wish to order by clicking on them on the Website.

SISLEY reserves the right to add new Products, remove others or change their presentation or price at any time. The Product information and the prices which apply to the order are those which are displayed on the Website when the Purchaser confirms their order.

1.5 Customer Service

SISLEY's Customer Service can be contacted regarding any information, questions or advice relating to the order or the Products:

- via the "Contact Form" section of the Website
- by email at: sg.contact@sisley.fr

2. ORDER

2.1 The different ordering steps are as follows:

2.1.1 Ordering on the Website

The Purchaser makes their product selection and puts them into the "Your basket" section. The Purchaser can check the details of the prospective order there and change it at any time.

The Purchaser then confirms their contact details, the billing address, the delivery information and shipping method, as well as the chosen payment method.

The Purchaser is considered to have accepted the content and conditions of the order, the price, characteristics, quantities and delivery times for the Products ordered, from the moment the Purchaser confirms the order by clicking on the "Pay" icon. The order is then firm and final.

2.2 Confirmation of the order

SISLEY sends the Purchaser an email summarizing the terms and conditions of the order.

The Purchaser can track the progress of the order and download the invoice in the "My account" section on the Website.

2.3 Unavailable Products

If one or several Products are unavailable after the order has been placed, we shall seek your agreement to either cancel/refund the entire order or schedule a late delivery for the back order. Only Products which are delivered will be invoiced.

2.4 Cancellation of the order

SISLEY reserves the right to cancel any order for a legitimate reason, and in particular :

- Orders placed by professionals, bulk orders (such as orders exceeding 4 products with the same reference), abnormally recurrent orders such as fraudulent orders flagged for suspected credit card fraud;
- If the Purchaser provides incomplete or incorrect information;
- Payment default or part payment of the sums owed by the Purchaser.

The Purchaser can cancel the order by exercising the right of withdrawal which is explained in article "6. THE RIGHT OF WITHDRAWAL".

3. **PRICE**

The prices displayed on this Website are given in Singapore Dollars inclusive of GST and are liable to change during the year. However, the products ordered are invoiced at the price in force when the order is recorded.

They do not include shipping costs which are billed in addition to the price of the Products purchased depending on the amount of the order. Shipping costs will be stated before the Purchaser's order is recorded.

Prices include the value-added tax (GST) which is applicable on the date of the order and any change in rate will be automatically passed on to the price of Products sold.

4. **PAYMENT TERMS**

- 4.1 Sisley accepts that orders can be paid via any of the payment methods available on its website. Payments by cheque are not accepted.

The debit will occur 5 days after the date of the order. SISLEY conserves the full and complete ownership title in the Products sold until the price in principal, including costs and tax, has been received in full.

The commitment to pay which is given by using a bank card is irrevocable. By disclosing the details relating to the bank card, the Purchaser authorizes the debit of the bank card.

The Purchaser must transmit the number of the bank card, its expiry date as well as the security code (the 3 or 4 digit number on the back of the bank card).

- 4.2 The whole transaction is performed in encrypted mode, and the Purchaser's bank data do not transit via the Website but via the payment platform of its service provider, ADYEN whom SISLEY relies on for payment security and prevent payment card fraud. SISLEY reserves the right to verify the accuracy of the information entered by the Purchaser by requesting a substantiating document such as a copy of the Purchaser's identity card by email or by letter, which has the effect of suspending the Order. If the Purchaser fails to do so or if the substantiating documents are not compliant, SISLEY reserves the right to cancel the Order without the Purchaser being able to claim any indemnity of any kind.

As part of the fight against Internet fraud, information relating to your order can be disclosed to any competent authority for verification.

The Purchaser guarantees SISLEY that they have the authorizations which may be necessary to use the chosen payment method when registering the purchase order.

SISLEY reserves the right to suspend or cancel any order and/or delivery irrespective of its nature and level of performance in the event of the non-payment of any sum owed by the Purchaser or a payment incident.

In order to make the buying journey on the Website easier, the Purchaser can record their bank details securely in encrypted mode using the "My recorded payment cards" option. The Purchaser can erase their bank details at any time if they no longer want this option or enter new bank details in the "Payment Method" section of the buying journey.
